Re: Compiled Information Request – Filing Fees

Dear Mr. Allen

Your request to obtain compiled information of non-confidential court records has been approved by the Division of State Court Administration. Under Indiana Administrative Rule 9(F)(2)(b) approval of a request for compiled information can be summarily granted by the Division of State Court Administration, without execution of a User Agreement, to individuals or entities having a substantial interest or bona fide research activity for journalistic, political, or government research, evaluation or statistical purposes provided the requested data will not be resold or used for commercial purposes and does not contain confidential data, bulk data or financial data.

You are approved to receive compiled information from the Clark County Superior Court, Small Claims Division. Your extract consists of filing fees paid by you in 2013 and 2014 as outlined in your request. A copy of your approved Summary Request is enclosed.
